## COURSE HIGHLIGHTS

The training provides peace of mind, arising from the knowledge that motor vehicle followers and attackers can be identified covertly without arousing their suspicions.

Once they are identified, then preventive and control measures can be used to safe oneself by becoming a target.

## LEARNING OUTCOMES

- The participants would be able to learn the basic principles of Anti Surveillance and Security Driving
- Being able to keep an eye on all suspicious matters surrounding you and your family
- Learn techniques to avoid potential carjackers
- Preventive measures that can be used in everyday life to safeguard against becoming a soft target
- Protect yourself, your passengers and your vehicle
