COURSE HIGHLIGHTS

This qualification is designed for international learners who train others within their own organisation. It may be used by learners who wish to gain the knowledge and practical experience of delivering practical trainings. The main focus of this award is on excellence in delivery by enlivening, inspiring and motivating learners by providing them with practical, professional and effective skills to use in the classroom. The focus of the course is to assist both experienced and new trainers to identify and apply practical training skills.

Section 1 – Principles of training delivery

Section 2 - Practical preparation for the delivery of training

Section 3 – Delivery of training and reflection

TRAINER PROFILE

Mr. Tahseen Hassan has over 19 years of HSE training experience. He has conducted numerous training workshops, seminars, Train the Trainer courses and Management courses both in and out of Pakistan. He has:

- ❖ Trained, upto now, over 15, 000 individuals. Has always been appreciated and acknowledged for using the skills required for effective and retained learning of the participants.
